Professional Services

Let one of our professional and friendly Beauty Therapists look after all your beauty needs.

You can relax because you're in good hands.

Friendly and professional advice for you to get the best results both in salon and at home to help you maintain that salon feeling between visits.

All services are guaranteed and you have the backing of industry professionals with over twenty years salon experience and even more industry experience.

Why not combine a hair and beauty treatment in one visit. It's what we're famous for and it saves you time and money running around town trying to find parking ect.

Ask about our special offers for hair and beauty packages.

We use and recommend the Dermalogica range of skin care products
